

Tipflow — Employee Guide

Quick guide to use the app every day

STEP 1 — Log in

- Open the Tipflow app on your phone.
- Tap "I'm an employee" (green button).
- Enter your phone number and password.
- Tap "Sign in".

■ *Your employer will send you the invite link with your password.*

STEP 2 — See today's jobs

- After logging in, you'll see the calendar with your service days (green dots).
- Today is highlighted in green.
- Below the calendar you'll see today's client: house photo, client name and address.
- Tap "View details" to open the job.

■ If a location prompt appears, tap Allow. This helps your employer know you arrived.

STEP 3 — Use the buttons in the right order

Inside the job, ALWAYS use the buttons in this order:

- On My Way — Tap when you leave home heading to the client. Your client receives an automatic message in English.
 - Arrived — Tap when you arrive at the client's home.
 - Start — Tap to begin counting your work time.
 - Finish — Tap when you complete the service. Time stops counting.
 - Job Finished — Tap to confirm the job is 100% complete.
- ■ *Don't skip buttons! Each one automatically notifies your client and employer.*

STEP 4 — Service photos (optional)

- When you tap Arrived, the app may ask for arrival photos.
- Take photos of the home before cleaning (arrival) and after (departure).
- If you don't want to take photos, tap "Skip".

■ *Up to 5 photos per moment. Photos are saved for your employer to review.*

STEP 5 — GPS

- The blue "GPS" button opens the map with the client's address.
- Tap it to open navigation directly on your phone.

Questions? Talk to your employer or use the AI robot inside the app! ■
